

Workers Compensation

We can provide competitive multi-state Workers Compensation for your environmental contracting and consulting clients along with many manufacturing classes.

Workers Compensation

Berkley Environmental can provide competitive multi-state Workers Compensation for your environmental contractors and consulting clients.

- We offer guaranteed cost policies as well as loss sensitive/large deductible options
- Solution-driven and outcome-focused: We are industry experts in handling workers compensation. Our Teams are committed to providing timely, proactive solutions by offering personal attention to our partners through unparalleled accessibility, expertise, flexibility, and collaboration
- Our Risk Engineering Team is a customer-focused, enthusiastic team of advisors, technicians, and partners, dedicated to helping those we insure protect their people and assets. We act like extensions of your staff, developing effective risk management solutions based on your unique needs and concerns-not a pre-established checklist

Total Account Solutions

One of our greatest strengths is our ability to offer coverage for your entire account, providing you a Total Account Solution. The following additional coverages may be available in conjunction with the environmental products referenced above. All coverages are written with one underwriter, providing you a single point-of-contact and ease of doing business.

Commercial Automobile +

Workers Compensation +

Excess Liability +

Why Berkley Environmental?

- Total account solution: PL, GL, WC, Pollution, Auto, and Excess
- Personalized service that leads to long-term customers
- Single-dedicated underwriter who focuses on your needs
- In-house claims team and risk management services
- Flexible policy forms and excess availability
- Business underwritten on behalf of Berkley member insurance companies rated A+ by A.M. Best
